Resources and Information

About and from the Presenters

Alex Tuchman

Apiculturist Alex Tuchman is the co-leader with Sherry Wildfeuer of the North American Agriculture Section of the School of Spiritual Science, and he helps to facilitate the Alliance of Biodynamic Organizations. He is the Director of Spikenard Farm Honeybee Sanctuary. Alex carries a wide variety of responsibilities on the farm, with the bees, in the classroom, and in administration. He is a consistent contributor to the biodynamic agriculture and natural beekeeping movements and regularly teaches at conferences in the U.S., around the world, and online. Alex's book, *A Lively Hive*, was published in 2021, outlining the basic biodynamic beekeeping methods that are practiced and taught at Spikenard Farm. Since 2024, Alex has been the Editor of the *Stella Natura Biodynamic Planting Calendar*.
